## **Interview With Louis Theroux:**

*Gotta Get Theroux This* Louis Theroux, 2020-07-09      *The Call of the Weird* Louis Theroux, 2006 Louis Theroux's hilarious and thought provoking journey through weird America. For ten years Louis Theroux has been making programmes about off beat characters on the fringes of US society. Now he revisits America and the people who have most fascinated him to try to discover what motivates them why they believe the things they believe and to find out what has happened to them since he last saw them. Along the way Louis thinks about what drives him to spend so much time among weird people and considers whether he's learned anything about himself in the course of ten years working with them. Has he manipulated the people he's interviewed or have they manipulated him. From his Las Vegas base Louis revisits the assorted dreamers and outlaws who have been his TV feeding ground. Attempting to understand a little about himself and the workings of his own mind Louis considers questions such as What is the difference between pathology and normal weirdness. Is there something particularly weird about Americans. What does it mean to be weird or to be yourself. And do we choose our beliefs or do our beliefs choose us.

*Ramble Book: Musings on Childhood, Friendship, Family and 80s Pop Culture* Adam Buxton, 2020-09-03

*Strange Bodies* Marcel Theroux, 2014-02-04. A dizzying novel of deception and metempsychosis by the author of the National Book Award finalist *Far North*. Whatever this is it started when Nicholas Slopen came back from the dead. In a locked ward of a notorious psychiatric hospital sits a man who insists that he is Dr Nicholas Slopen, failed husband and impoverished Samuel Johnson scholar. Slopen has been dead for months yet nothing can make this man change his story. What begins as a tale of apparent forgery involving unknown letters by the great Dr Johnson grows to encompass a conspiracy between a Silicon Valley mogul and his Russian allies to exploit the darkest secret of Soviet technology: the Malevin Procedure. Marcel Theroux's *Strange Bodies* takes the reader on a dizzying speculative journey that poses questions about identity, authenticity and what it means to be truly human.

*Redhanded* Suruthi Bala, Hannah Maguire, 2021-09-16. The instant Sunday Times bestseller from the UK's number one true crime podcast *RedHanded*. What is it about killers, cults and cannibals that capture our imaginations even as they terrify and disturb us. How do we carefully consume these cases and what can they teach us about what makes victims and their murderers our collective responsibility. *RedHanded* rejects the outdated narrative of killers as monsters and that a victim was just in the wrong place at the wrong time. Instead it dissects the stories of killers in a way that challenges perceptions and asks the hard questions about society, gender, poverty, culture and even our politics. With Bala and Maguire's trademark humour, research on real life cases and unflinching analysis of what makes a criminal, the authors take you through the societal, behavioural and cultural drivers of the most extreme of human behaviour to find out once and for all what makes a killer tick.
